Dear Allen -

Where are you!

At this very moment I'm in Chile (Isla
Negra) with Colombine my new daughter
(14 months old). But in about 10 days
I think I'll be back in New York
once more. * That's the way it goes: three
months there - one or two here.

Thank you so much for Smoke
Rolling Down Street. Need you
to say I miss you every day
* teaching at Columbia (Writing Division)
